How the SEN system works in Nottingham City

Autistic Nottingham are founded and run by Autistic adults without intellectual disabilities. They aim to bridge the gap in provision for Autistic adults, who often find no appropriate services for their needs.

Find out more information about their service on their website:

The Award-Winning Autism Friendly festival is back. On the 16th September 2023, at Lea Green Learning & Development Centre, near Matlock, Derbyshire, we will be hosting our inclusive, family friendly event for the 5th year running, if you ignore lockdown...

The event allows people with Autism and other disabilities to have fun in an environment where they can truly be themselves, whilst providing parents and carers a space to relax, without fear of judgement.

See website for details:

We need you!

The Autism Team would like your feedback.

We want to hold our coffee meetings in different areas of the city, in accessible and relaxed settings.

Do you know of anywhere suitable, ideally near a tram or bus route?
