## Statement of intent

School attendance is everyone's responsibility. Crabtree Farm Primary School believes that in order to facilitate teaching and learning, good attendance is essential. Pupils cannot achieve their full potential if they do not regularly attend school.

We understand that barriers to attendance are complex, and that some pupils find it harder than others to attend school; therefore, we will continue to prioritise cultivating a safe and supportive environment at school, as well as strong and trusting relationships with pupils and parents/carers.

We take a whole-school approach to securing good attendance and recognise the impact that our efforts in other areas – such as the curriculum, behaviour standards, bullying, SEND support, pastoral support, and the effective use of resources such as pupil premium – can have on improving pupil attendance.

We are committed to:

- Promoting and modelling high attendance and its benefits.
- Ensuring equality and fairness for all.
- Ensuring this attendance policy is clear and easily understood by staff, pupils and parents/carers.
- Intervening early and working with other agencies to ensure the health and safety of our pupils.
- Building strong relationships with families to overcome barriers to attendance.
- Working collaboratively with other schools in the area, as well as other agencies.
- Ensuring parents/carers follow the framework set in section 7 of the Education Act 1996, which states that the parent of every child of compulsory school age shall cause them to receive efficient full-time education suitable to their age, ability and aptitude, and to any SEND they may have, either by regular attendance at school or otherwise.
- Regularly monitoring and analysing attendance and absence data to identify pupils or cohorts that require more support.

Pupils will be expected to attend school punctually every day they are required to be at school, for the full day or full session if attending morning/afternoon nursery.

Afternoon nursery starts at **12.25pm**, and pupils will be in their classroom, ready to begin lessons at this time; therefore, pupils will be expected to be on the school site by **12:15pm**.

Registers will be taken as follows throughout the school day:

- The morning register will be marked by **9am**. Pupils will receive a late mark if they are not in their classroom by this time. Pupils attending after this time will receive a mark to show that they were on site, but this will count as a late mark (L code).

## 5. Absence procedures

### Illness and other legitimate reasons.

Parents/carers will be required to contact the school office via telephone or text message on the first day of their child's absence – they will be expected to provide an explanation for the absence and an estimation of how long the absence will last, e.g. one school day. All absences should be reported every day the child is off school, unless it is a serious injury or a long-term illness that the school has received proof of.

Any child, who is absent for more than 3 days, is required to bring in medical evidence as proof of illness. Failure to inform the school of a child's reason of absence may result in a home visit from a member of our Attendance Team.

The school will decide in all cases whether to authorise an absence on the basis of the evidence available.

## Holidays in term time (family holidays)

The Education (Pupil Registration) (England) (Amendment) Regulations 2013 state that schools can no longer grant any leave of absence during term time unless there are exceptional circumstances.

If families, choose to take their child out of school during term time for an unauthorised holiday/leave of absence they will be referred to Education Welfare for a penalty notice to be issued.

- Penalty notices are issued per parent per child. They are £60 if paid within 21 days rising to £120 if paid after 21 days but before 28 days. If the penalty notice remains unpaid then the Local Authority may instigate legal proceedings against you under section 444(1) of the Education Act 1996. If found guilty of this offence you could be fined up to £1000.
- A referral will be made for a Penalty Notice to be issued if the school is informed or suspect that a family has been on holiday whilst suggesting to the school another reason of absence. It will be up to the family to prove that they have not taken a family vacation.
- Children/young people taken out of school for a holiday will have the non-attendance recorded as an unauthorised absence 'G' code.
- A child or young person who does not return to school at the end of the recorded unauthorised holiday date will initially be subject to enquiries being made by the school.
- If after ten days of the expected return date, the child/young person has still not returned to school, a referral will be made to the Education Welfare Service for further enquiries to be made.
- Following the above information, if a parent/carer still intends to take their child on holiday during term time, they have a duty to inform the school of this action and give at least 6 weeks' notice of the event.
- Parent/carers must complete a Leave of Absence form, obtained from the school office.

## Responding to non-attendance

The following action will be taken on the days a child is absent from school:

Day	Action
1	<ul style="list-style-type: none"><li>➤ A 'School Comms' text will be sent out.</li><li>➤ A telephone call is made if contact is not made by the parent/carer.</li><li>➤ If it is a vulnerable child, a home visit will be carried out.</li></ul>

	<ul style="list-style-type: none"> <li>➤ If it is a vulnerable child and contact by the parent/carer has been made, but the child has not been seen or spoken to, a welfare home visit/phone conversation with the child will be carried out.</li> </ul>
4	<ul style="list-style-type: none"> <li>➤ A 'School Comms' text will be sent out.</li> <li>➤ A telephone call is made if contact is not made by the parent/carer.</li> <li>➤ Additional emergency contacts listed for the child will be contacted.</li> <li>➤ Follow up all communication attempts with other agencies e.g. social care/MASH or another school.</li> <li>➤ A home visit will be carried out. 5	<ul style="list-style-type: none"> <li>➤ A 'School Comms' text will be sent out.</li> <li>➤ A telephone call is made if contact is not made by the parent/carer.</li> <li>➤ Additional emergency contacts listed for the child will be contacted.</li> <li>➤ Follow up all communication attempts with other agencies e.g. social care/MASH or another school.</li> <li>➤ A home visit will be carried out. 10	<ul style="list-style-type: none"> <li>➤ Complete a referral to Children Missing Education (CME) at the Local Authority (see CME below).</li> </ul>

The following actions may be applied when addressing concerns around non-attendance to all pupils:

- If at any point the school believe the child may be at imminent risk, a call to the Police or MASH duty will be made outside of the above timeframes.
- Failure to inform the school of reasons of absence will result in an unauthorised absence being recorded.
- Pupil attendance is reviewed every week.
- For reported absences, school staff e.g. class teacher or phase leader, may contact the family to carry out a welfare check or explore any support.

### **Persistent Absentees**

All pupils with an attendance rate of **90%** and below are considered as persistent absentees and will be closely monitored. The following actions are highly probable for such cases:

- At 95% attendance, a letter will have been sent out to inform parents/carers that their child's attendance needs to improve and offer a meeting at school to explore any support. During the support meeting the threshold for persistent absenteeism will have been discussed, and what will happen should they fall below 90%.
- A letter will be sent out to inform parents/carers that their child's attendance is below 90% and of the actions school will take if their child's attendance remains or continues to fall below 90%.
- Further absences will be unauthorised unless one of the following is shown to school: a medical certificate, a letter from a medical practitioner, dated prescribed medication or an appointment slip/text message.
- Parents/carers will be invited to attend an attendance meeting in school if there is little or no improvement in their child's attendance. This may require parents/carers to work alongside our team to improve their child's attendance and routines.

- An Attendance Improvement Plan will be put in place and reviewed. A copy will be given to parents/carers.
- Parents/carers will be invited to attend a formal review with our Attendance Officer and Education Welfare Officer if attendance shows no improvement.
- Removal of nursery placement will be considered.
- A formal request for intervention will be made to the Education Welfare Service for legal action to be considered.
- For any child whose attendance falls below 60% - agencies will take full account of all that is known about the child and consider completing a Multi-Agency Referral Form (MARF) for additional support from Children's Social Care.
- Whenever possible, the school's Attendance Officer will offer support and guidance to avoid poor attendance levels. Looking at alternative support to help avoid those external barriers preventing a parent from bringing a child to school.

### **Lateness**

Registrations are taken promptly at the start of the morning and afternoon sessions. Any pupil arriving after the start time, but within the thirty minutes will be recorded as an 'L' code which signifies late.

In a morning from 9am until 9.15am any child arriving is greeted by the Attendance Officer, logged as late and issued with a late pass and sent to their classroom doors via the playground. After 9.15am, all pupils arriving must enter through the main reception, where they will also be marked with an 'L' code.

Any pupil arriving after the 30 minutes will be recorded as 'U' code, which signifies that they arrived after the official close of the register, which denotes an unauthorised absence.

Issues relating to punctuality will initially be addressed with the parents/carers in the following ways:

- If late marks become a regular occurrence, a call will be made to parents/carers to discuss.
- If no improvement is made, parents/carers will be informed that we will monitor lateness with U codes.
- If there is still no improvement, formal meetings in school will be arranged, where attendance targets will be agreed.
- The Local Authority will be asked to issue a Penalty Notice on the school's behalf for any pupil registered late (recorded as U) 10 sessions or more in a six-week period.
- The school may request that a Penalty Notice is issued where there has been persistently lateness that results in unauthorised absences being recorded.

### **Safeguarding/leave of absence in term time/extended leave of absence**

Any safeguarding issues pertaining to a child being taken out of school in circumstances that cause concern will be addressed directly to the Social Care Duty Team via a Multi-Agency Referral Form (MARF).

Any child absent from school for more than 10 consecutive days will be referred to the Children Missing Education (CME) team after all relevant checks made by school.

### **Children Missing Education (CME)**

Early intervention is necessary to identify the existence of any underlying safeguarding risk and to help prevent the risks of a child going missing in future. Staff should be aware of their school's unauthorised absence and children missing from education procedures and Attendance Policy:

- Parents/carers are expected to contact school on the first day of absence.
- School will contact parents/carers if no reason of absence has been given to school, initially by School Comms text, if there are attendance, welfare or safeguarding concerns this will also include a telephone call.

- School Comms text and phone call if no contact has been made, on the previous day, additional emergency contact numbers will also be called.
- Potential home visit if no contact is made, and contact made with any additional agencies who are working with the family (who may be in a better position to visit the family).
- Referral to CME if information is gained that the family have moved out of area.
- Referral to CME if child has not returned after 10 days with no contact from the family after efforts made by school, if we believe the child should or may be removed from roll whether the onward school is known or not.
- The Children Missing Education (CME) Officer within the Education Welfare Service will work closely with the school to try to identify the child's current whereabouts/destination.
- Both parties will then agree an appropriate time and category to remove the child from the school roll. This includes those children and young people who are expected to move swiftly into appropriate provision; this is in line with The Education (Pupil Registration) (England) (Amendment) Regulations 2016.
- After 20 school days of absence and efforts by both the school and CME to find the child prove unsuccessful, the CME Officer will consult the school to discuss whether to remove their name from the school roll. The final decision about removal from a school roll remains with the Headteacher following consultation with the Local Authority via CME.
- The school will create a 'lost pupil' record on the national Lost Pupil's Database School to School (s2s) to assist future schools and Children Missing from Education Officers to identify and locate children.
- It is the duty of both the Education Welfare Service and school to collaborate in finding the pupil before deleting them from the register.
- For further information please contact the CME Officers directly - [cme.educationwelfare@nottinghamcity.gov.uk](mailto:cme.educationwelfare@nottinghamcity.gov.uk)

## 6. Attendance register

The school uses Arbor to keep attendance registers to ensure they are as accurate as possible and can be easily analysed and shared with the appropriate authorities.

Designated staff members will take the attendance register at the start of each school day and at the start of the afternoon session. This register will record whether pupils are:

- Present.
- Absent.
- Attending an approved educational visit.
- Unable to attend due to exceptional circumstances.

The school will use the national attendance codes to ensure attendance and absence are monitored and recorded in a consistent way. The following codes will be used:

Code	Explanation	Code	Explanation
/	Present in the morning	U	Arrived after registration closed
\	Present in the afternoon	N	Reason not yet provided
L	Late arrival before the register has closed	X	Not required to be in school
C	Leave of absence granted by the school	T	Gypsy, Roma and Traveller absence
E	Excluded but no alternative provision made	V	Educational visit or trip
H	Authorised holiday	P	Participating in a supervised sporting activity
I	Illness		
M	Medical or dental appointment	D	Dual registered – at another educational establishment
R	Religious observance		
B	Off-site education activity	Y	Exceptional circumstances
G	Unauthorised holiday	Z	Pupil not on admission register
O	Unauthorised absence		

When the school has planned in advance to be fully or partially closed, the code '#' will be used for the relevant pupils who are absent. This code will also be used to record year groups who are not due to attend because the school has set different term dates for different years, e.g. induction days or for nursery children who only attend half day sessions in line with the 15 hours universal funded places.

All amendments made to the attendance register will include the original entry, the amended entry, the reason for the amendment, the date of amendment and the name and role of the person who made the amendment.

Every entry received into the attendance register will be preserved for three years.

## **7. Authorising parental absence requests**

### **Leave of absence**

At Crabtree Farm Primary School we request that all applications for leave of absence must be made 6 weeks in advance by the parents/carers that the pupil normally resides with. We request that a Leave of Absence form and a conversation with the attendance team be completed. Then, a written response will be provided.

Any leave of absence granted by the school is recorded as an authorised absence using the appropriate national code. Periods that are refused are recorded as unauthorised absences.

At Crabtree Farm Primary School, when considering such requests, we take into account the following:

- Circumstances of the request.
- Purpose of the leave.
- The pupil's general absence/attendance record over the last twelve months.
- The amount of time requested.
- Length of the proposed leave.
- The proximity to SATs.
- General welfare of the pupil.

As mentioned, such requests receive a response in writing that addresses the following points:

- The expected date of return.
- That the parents/carers are expected to contact the school if anything delays the pupil returning to school when expected.
- What action will be taken if the pupil fails to return when expected.

A letter will be sent out should a request be refused. This will state what action will be taken if the parents/carers ignore the refusal and keep their child away; with a follow up letter after their return stating that a referral will be made to the Education Welfare Service for a request for service and/or a penalty notice to be issued.

### **Healthcare appointments**

Parents/carers will be expected to make medical or dental appointments outside of school hours wherever possible. Where this is not possible and appointments need to be made during school hours, parents/carers will be expected to provide proof of appointments (appointment cards, letters, texts, emails etc.) to obtain approval for their child's absence to attend such appointment. Parents/carers will be responsible for ensuring their child misses only the amount of time necessary to attend the appointment.

### **Religious observance**

Parents/carers will be expected to request absence for religious observance in advance.

In Nottingham City one day for each religious festival should be counted as authorised absence. The Pupil Regulations 2006 state that absence for religious observance should be treated as authorised (absence) *'on a day exclusively set apart for religious observance by the religious body to which the parent belongs'*. Additional days off for shopping or for extended celebrations should be treated as unauthorised absence.

In respect of pilgrimages, school may request to see copies of visas. Dates of return should also be agreed prior to the period of leave.

## **8. SEND and health-related absences**

At Crabtree Farm Primary School we recognise that pupils with SEND and/or health conditions, including mental health issues, may face greater barriers to attendance than their peers, and will incorporate robust procedures to support pupils who find attending school difficult.

The school will ensure that reasonable adjustments are made for disabled pupils to reduce barriers to attendance, in line with any EHC plans or IHPs that have been implemented. The school will secure additional support from external partners to help bolster attendance where appropriate.

Where the school has concerns that a pupil's non-attendance may be related to mental health issues, parents/carers will be contacted to discuss the issue and whether there are any contributory factors to their child's lack of attendance. Where staff have a mental health concern about a pupil that is also a safeguarding concern, they will inform the DSL and the Child Protection and Safeguarding Policy will be followed. All pupils will be supported with their mental health in accordance with the school's policies.

### **Managing absences of pupils with health care needs**

- Parents/carers are advised to contact the school on the first day their child is unable to attend due to illness.
- Absences of pupils with health care needs will not be authorised unless the family has had prior discussion with school staff about the challenges and difficulties presented by their child's needs; this will enable school to understand the context and complexity of their child's additional health care needs. Crabtree Farm Primary School is committed to supporting all children regardless of their needs and is very much interested in offering support, guidance and referral to the relevant agencies.
- Absences of known pupils due to health needs will be authorised (using the relevant codes) unless the school has genuine cause for concern, which will trigger attendance and/or safeguarding procedures.
- The school will continue to provide support to pupils who are absent from school because of health needs by liaising with the pupil's parents/carers to arrange school work as soon as the pupil is able to cope with it and if available facilitate online access to the curriculum from home.
- To help ensure a pupil with additional health needs is able to attend school following an extended period of absence, a personalised or part-time timetable will be considered. Agreed periods of absence due to a part-time education timetable will be recorded with a C code for pupils of compulsory school age and an X code for non-compulsory school aged pupils.

The school will incorporate an action plan to help any pupils with SEND and/or health issues cope with the stress and anxiety that attending school may cause them. Such plans will be regularly monitored and reviewed until the pupil is attending school as normal and there has been signs of significant improvement.

To support the attendance of pupils with SEND and/or health issues, the school will consider:

- Holding termly meetings to evaluate any implemented reasonable adjustments.
- Incorporating a pastoral support plan.
- Carrying out strengths and difficulties questionnaire.
- Identifying pupils' unmet needs through the Early Help Assessment
- Using an internal or external specialist.
- Enabling a pupil to have a reduced timetable for a limited time.
- Ensuring a pupil can have somewhere quiet to spend lunch and break times.
- Implementing a system whereby pupils can request to leave a classroom if they feel they need time out.
- Temporary late starts or early finishes.
- Phased returns to school where there has been a long absence.
- Small group work or on-to-one lessons.
- Tailored support to meet their individual needs.

## **9. Working with parents/carers to improve attendance**

The school will work to cultivate strong, respectful relationships with parents/carers and families to ensure their trust and engagement. Open and honest communication will be maintained with pupils and their families about the expectations of school life, attendance and performance so that they understand what to expect and what is expected of them. The school will liaise with other agencies working with pupils and their families to support attendance, e.g. social services.

The school will ensure that there are two sets of emergency contact details for each pupil wherever possible to ensure the school has additional options for getting in touch with adults responsible for a pupil where the pupil is absent without notification or authorisation.

The school will ensure that parents/carers are aware of their legal duty to ensure that their child attends school regularly and to facilitate their child's legal right to a full-time education – parents/carers will be made aware that this means their child must attend school every day that it is open, except for in certain circumstances, e.g. sickness or absences that have been authorised by the Headteacher in advance. The school will regularly inform parents/carers about their child's levels of attendance, absence and punctuality, and will ensure that parents/carers are aware of the benefits that regular attendance at school can have for their child educationally, socially and developmentally.

If a pattern of absence becomes problematic, the attendance team will work collaboratively with the pupil and their parents/carers to improve attendance by addressing the specific barriers that prevent the pupil from being able to attend school regularly. The school will always take into consideration the sensitivity of some of the reasons for pupil absence and will approach families to offer support rather than immediately reach for punitive approaches. Where these barriers are related to the pupil's experience in school, e.g. bullying, the attendance team will work with the Headteacher and any relevant school staff, e.g. the DSL and SENCO, to address this. Where the barriers are outside of the school's control, e.g. they are related to issues within the pupil's family, the attendance team will liaise with any relevant external agencies or authorities, e.g. children's social care or the LA, and will encourage parents/carers to access support that they may need.
