COMPLAINTS PROCEDURE

Review Date – Autumn Term 2022

Introduction

Crabtree Farm Primary School endeavours to provide the best education possible for all of its pupils in an open and transparent environment. We welcome any feedback that we receive from parents/carers, pupils and third parties, and we accept that not all of this will be positive. Where concerns are raised the school intends for these to be dealt with:

- Fairly
- Openly
- Promptly
- Without Prejudice

In order to do so, the governing board of Crabtree Farm Primary School has approved the following procedure which explains what you should do if you have any concerns about the school. All members of staff will be familiar with the procedure and will be able to assist you.

Raising concerns

The school needs to be clear about the difference between a concern and a complaint. Taking informal concerns seriously at the earliest stage will reduce the numbers that develop into formal complaints.

The majority of concerns can be dealt with without resorting to the formal complaints procedure. Where you have a concern about any aspect of the school or your child's education or wellbeing, raise this with the class teacher via the phone or in person. Ideally, they will be able to address your concerns on the spot, or can arrange a meeting with you to discuss the issue.

All concerns will be dealt with confidentially, although the staff member may need to take notes if they feel that the matter may need to be taken further or it may arise again in the future. Any such notes will be kept in accordance with the principles of the Data Protection Act 1998. However, such notes would be able to be used to as evidence if further investigation was required, or if the concern became a formal complaint.

Safeguarding

Wherever a complaint indicates that a child's wellbeing or safety is at risk, the school is under a duty to report this immediately to the local authority. Any action taken will be in accordance with the school's safeguarding policy, which can be found on the school's website.

Social Media

In order for complaints to be resolved as quickly and fairly as possible, Crabtree Farm Primary School requests the complainants do not discuss complaints publically via social media such as facebook and twitter. Complaints will be dealt with confidentially for those involved, and we expect complainants to observe confidentiality also.

Complaints that result in staff capability or disciplinary

If at any formal stage of the complaint it is determined that staff disciplinary or capability proceedings are necessary in order to resolve the issue, the details of this action will remain confidential to the headteacher and/or the individual's line manager. The complainant is not entitled to participate in the proceedings or receive any detail about them.

Procedure

If you need to raise an issue in the first instance, please do so with the relevant member of staff who will be happy to talk to you and seek to establish a solution. The formal procedures will need to be invoked when initial attempts to resolve the issue are unsuccessful and the person raising the concerns remains dissatisfied and wishes to take the matter further.

Framework of Principles

An effective complaints procedure will:

- Encourage resolution of problems by informal means wherever possible;
- Be easily accessible;
- Be simple to understand and use;
- Be impartial;
- Be non-adversarial;
- Allow swift handling with established time limits for action and keeping people informed of the progress;
- Ensure a full and fair investigation by an independent person where necessary;
- Respect people's desire for confidentiality;
- Address all the points at issue and provide an effective response and re-dress where necessary;
- Provide information to the school's Senior Leadership team so that services can be improved.

At each stage, the person investigating the complaint will make sure they:

- Establish what has happened so far, and who was involved;
- Clarify the nature of the complaint and what remains unresolved;
- Meet with the complainant or contact them if unsure or further information is needed;
- Clarify what the complainant feels would put things right;

- Interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish;
- Conduct the interview with an open mind and be prepared to persist in the questioning;
- Keep notes of the interview.

At each stage in the procedure the school will want to keep in mind ways in which a complaint can be resolved. It might be sufficient to acknowledge that the complaint is valid in whole or in part. In addition, it may be appropriate to offer one or more of the following:

- An apology;
- An explanation;
- An admission that the situation could have been handled differently or better;
- An assurance that the event complained of will not recur;
- An explanation of the steps that have been taken to ensure that it will not happen again;
- An undertaking to review school policies in light of the complaint.

It would be useful if complainants were encouraged to state what actions they feel might resolve the problem at any stage. An admission that the school could have handled the situation better is not the same as an admission of negligence.

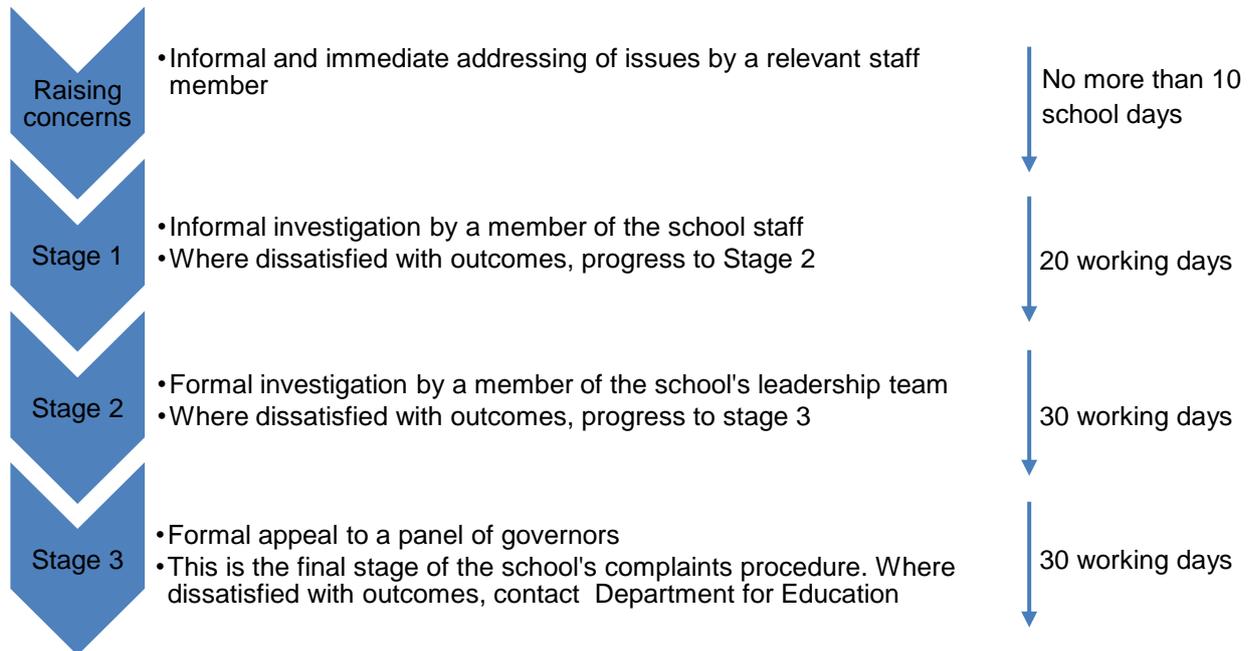

An effective procedure will identify areas of agreement between the parties. It is also of equal importance to clarify any misunderstandings that might have occurred as this can create a positive atmosphere in which to discuss any outstanding issues.

Timeframes

Crabtree Farm Primary School will endeavour to abide by timeframes stated under each stage but acknowledges that in some circumstances, this is not always possible due to the complexity of information needed to review a complaint or difficulties regarding individual's availability to deal with the complaint, for example. If it becomes apparent that it is not possible to complete any stage of the complaints procedure within a given timeframe, the individual responsible for handling the complaint will contact the complainant as soon as possible and come to an agreed timeframe that works for all parties involved.

Crabtree Farm Primary School reserves the right not to investigate complaints that have been made three months after the subject of the complaint took place, except in exceptional circumstances. What is meant by exceptional circumstances is where new evidence has come to light, where the complaint is of an especially serious matter or where there is reasonable justification for why the complainant has been unable to raise the complaint before this time. The headteacher will review the situation and decide whether or not to enact the complaints procedure, informing the chair of governors of the decision.

Timeline

Who should I approach?

All Stage 1 complaints, except those about the headteacher or members of the governing body, should be raised with the headteacher.

Complaints about the headteacher or the governors

Where a complaint regards the headteacher, the complainant should first directly approach the headteacher in an attempt to resolve the issue informally. If the complainant is not satisfied with this outcome they should notify the Chair of the Governing Body through the school office. The Stage 2 process will then commence, but with the Chair of Governors as the individual responsible for the investigation.

Where a complaint regards a governor, the complainant should contact the Chair of the Governing Body through the school office. Where a complaint concerns the Chair of Governors, the individual should contact the Vice-Chair of the Governing Body through the school office. Informal resolution will be sought, but where this fails, the complaints procedure at Stage 3 will take immediate effect. The Vice-Chair or an independent investigator will mediate any proceedings.

Stages of the Complaint

Stage 1 – Informal investigation by a member of the school staff

Where as a result of raising a concern the complainant still feels that the issue has not been addressed, or where the outcome has been that the complaint needs further investigation than can be resolved briefly, they may progress by making an informal complaint. In doing so, the following steps will be followed:

1. Complainant contacts the Headteacher, who will decide which staff member will undertake the informal investigation.
2. The complainant must explain in writing
 - An overview of the complaint so far
 - who has been involved
 - why the complaint remains unresolved
 - action they would like to be taken to put things right.

The office can provide confidential support in writing a complaint should it be required.

3. The staff member will respond within 5 working days (excluding those which fall in the school holidays) of having received the written complaint. They will explain what action they intend to take.
4. Where the complaint is about a member of staff or a school governor, the member of staff carrying out the informal investigation will arrange an informal mediation meeting between the two parties to see if a resolution can be come to.
5. The staff member will provide a written confirmation of the outcome of their investigation within 15 working days (excluding those which fall in the school holidays) of having sent confirmation of the intended action. Where the complainant is not satisfied with the outcome, they are able to progress to stage 2 of the complaints process, and launch a formal written complaint.
6. The staff member will make a record of the concern and the outcomes of the discussion which will be held centrally for twelve months, in line with the principles of the Data Protection Act 1998.

Stage 2 – formal investigation by a member of senior leadership team (SLT)

1. The complainant may submit a formal complaints form to the headteacher. The headteacher will decide which member of the SLT will undertake the formal investigation.
2. The member of the SLT will respond in writing within 10 working days (excluding those that fall in the school holidays) of the date of receipt of the complaint to acknowledge receipt of the complaint and explain what action will be taken, giving clear timeframes.
3. A log of all correspondence in relation to the complaint will be kept in accordance with the Data Protection Principles.

4. The SLT member will consider all relevant evidence; this may include but is not limited to:
 - a statement from the complainant,
 - where relevant a statement from an individual who is the subject of the complaint
 - any previous correspondence regarding the complaint
 - any supporting documents in either case
 - interview with anyone related to the complaint.
5. The SLT member may decide to have a meeting with the complainant (and where relevant, the subject of the complaint) if they feel that it would be appropriate for the investigation.
6. After considering the available evidence, the SLT member can:
 - Uphold the complaint and direct that certain action be taken to resolve it
 - Reject the complaint and provide the complainant with details of the stage three appeals process
 - Uphold the complaint in part: in other words, the SLT member may find one aspect of the complaint to be valid, but not another aspect. They may direct for certain action to be taken to resolve the aspect that they find in favour of the complainant.
7. The SLT member should inform the complainant of their decision in writing within 20 working days (excluding those that fall in the school holidays) of having issued written acknowledgement of the receipt of the complaint. They must explain clearly why they have come to the decision that they made. They must detail any agreed actions as a result of the complaint. Finally, they must provide the complainant with details of how to progress the complaint to stage three if they are not satisfied, providing them with the contact details of the clerk to the governors (see the end of the procedure for these).

Stage 3 – appeal – review by a panel of the governing body

If the complainant wishes to appeal a decision from stage 2 of the procedure, or they are not satisfied with the action taken in relation to the complaint, the complainant is able to appeal this decision.

They must write to the Chair of the Governing Body as soon as possible after receiving notice of the decision, briefly outlining the content of the complaint and requesting that a complaints appeal panel is convened.

The school office will fulfil the role of organising the time and date of the appeal hearing, inviting all the attendees, collating all the relevant documentation and

distributing this 5 days in advance of the meeting. A clerk from the LA will record the proceedings in the form of minutes and circulate these and the outcome of the meeting.

The complainant must request an appeal panel within 4 weeks of receiving the Stage 2 decision or it will not be considered, except for in exceptional circumstances. On receipt of this written notification, the following steps will be followed:

1. The school office will write to the complainant within five working days (not including the school holidays) to confirm receipt of the appeal request and detail further action to be taken.
2. The Chair of the Governing Body will convene a panel of three governors. All three panel members will have no prior knowledge of the content of the complaint.
3. The appeal hearing will take place within 20 working days (excluding those which fall in the school holidays) of receipt of the date of the confirmation letter from the clerk to the complainant, confirming the appeal.
4. In addition to the panel, the following parties will be invited, where applicable:
 - the complainant
 - the SLT member who dealt with the complaint at Stage 2
 - where the complaint regards a member of staff, the staff member who is the subject of the complaint
 - where the complaint regards a governor, the governor who is the subject of the complaint.

The complainant is also able to bring a companion with them to the hearing if they wish. Where the subject of the complaint is a member of staff or governor, they are also able to bring a companion with them.

The companion will be a friend or a colleague. Neither party is able to bring legal representation with them. If after the hearing any party feels that legal action is necessary, please see the contact details at the end of the procedure.

5. If the attendance of any pupils is required at the hearing, permission from persons with parental responsibility will be sought if they are under the age of 18. Extra care will be taken to consider the vulnerability of children where they are present at a complaints hearing.
6. Where the complaint is about a governor, the complainant may request that the appeal is heard by an entirely independent panel. It is at the discretion of the governing body who will notify the complainant of their decision. Where an entirely independent panel is required, timescales may be affected while the school source appropriate individuals for the review.

7. The panel can make the following decisions:

- Dismiss the complaint in whole or in part
- Uphold the complaint in whole or in part
- Decide on the appropriate action to be taken to resolve the complaint
- Recommend changes to the school's systems or procedures to ensure that problems of a similar nature do not recur.

8. All parties who attended the meeting will be informed in writing of the outcome of the appeal within 5 working days (excluding those which fall in the school holidays).

This is the final stage at which the school will consider the complaint. If the complainant remains dissatisfied and wishes to take the complaint further, please see the contact details at the end of the document. The school will not consider the complaint beyond this.

Unreasonable complaints

Where a complainant raises an issue that has already been dealt with via the school's complaints procedure, and that procedure has been exhausted, the school will not reinvestigate the complaint except in exceptional circumstances, for example where new evidence has come to light.

If a complainant persists in raising the same issue, the headteacher will write to them explaining that the matter has been dealt with fully in line with the school complaints procedure, and therefore the case is now closed. The complainant will be provided with the contact details of the Department for Education (see the end of this document) if they wish to take the matter further.

Unreasonable complaints include the following scenarios:

- The complainant refuses to co-operate with the school's relevant procedures.
- The complainant changes the basis of the complaint as the complaint progresses.
- The complainant seeks an unrealistic outcome
- Excessive demands are made on the time of staff and school governors and it is clearly intended to aggravate.
- The complainant acts in a way that is abusive or offensive.

The headteacher will use their discretion to choose not to investigate these complaints. Where they decide to take this course of action, they must inform the chair of governors that they have done so, explaining the nature of the complaint and why they have chosen not to investigate. If the chair deems it appropriate to, they can redirect the headteacher to investigate the complaint. The full complaints procedure will commence from stage one on this direction.

If the chair upholds the headteacher's decision not to look into the complaint and the complainant deems this decision to be so unreasonable that no other rational body in

the same position would have made that decision, then the complainant may write to the Department for Education (see the contact details at the end of the document).

Contact details for external organisations if not satisfied with the outcomes of the complaints procedure in full.

If the complainant feels that the governing board acted 'unreasonably' in the handling of the complaint, they can complain to the Department for Education after the complaints procedure has been exhausted. Please note that unreasonable is used in a legal sense and means acting in a way that no reasonable school or authority would act in the same circumstances. <https://www.gov.uk/complain-about-school>

Ofsted will also consider complaints about schools.
