

# Intent Visions

## Whole School Vision

Crabtree Farm Primary School believes that each child is a unique individual who needs a secure, caring and stimulating atmosphere in which to grow and mature emotionally, intellectually, physically, and socially. It is our desire as an educator to help all children meet their fullest potential in these areas by providing an environment that is safe and a curriculum which is rich, ambitious and relevant, supports risk-taking, invites sharing of ideas and develops life-long learning.

<p><b>SEND Approach</b> At Crabtree Farm, we ensure that all our children with Special Educational Needs and/or Disabilities (SEND) receive a high-quality and ambitious education regardless of need or disability. We believe that it is vital that our children are equipped with the tools needed to become independent, inquisitive learners both in and out of the classroom.</p>	<p><b>EYFS</b> By the end of EYFS, we want all our children to have experienced a broad and balanced curriculum that offers new experiences, follows our children's interests and allows them to reach their full potential; in a language rich learning environment that ensures they feel safe and happy at school. We want them to be equipped with the skills to continue their learning, with dreams and aspirations for the future.</p>	<p><b>English</b> At Crabtree Farm Primary School our intent is to provide an English curriculum for our children that allows them to develop into confident, creative writers, readers and communicators.</p> <ul style="list-style-type: none"> <li>• By the of EYFS, our children will be able to read and write simple sentences building on their knowledge of the alphabetic code.</li> <li>• By the end of Key Stage 1, our children will become fluent readers and writers.</li> <li>• By the end of Key Stage 2, our children will be able to read and write with meaning in readiness for the next stage of their education.</li> </ul>	<p><b>Maths</b> Our children will be enthusiastic and confident when talking about and using number. They will have a firm grasp of the fundamental principles of mathematics and be able to use these and apply them in varied, real-life scenarios. We want to nurture curious children who see maths as an exciting, creative subject which can open the door to a world of opportunities.</p>	<p><b>Science</b> At Crabtree Farm, we ignite curiosity in science by exploring the world through diverse practical tasks and engaging enquiries which develop transferrable skills (STEM) and long-term retention of knowledge. This is done so that our children understand the importance and prominence of science</p>
<p><b>Art</b> Our children will have the confidence and skills to experiment and create artwork using a wide range of artistic media, regardless of their ability. By using their knowledge of various artists, as well as making links to cultural art experiences within school and the wider community, they can develop and produce original ideas and outcomes which express their creativity.</p>	<p><b>Computing</b> By the time children leave our school, we want them to be equipped to use technology positively, responsibly and safely in an ever-changing technological world.</p>	<p><b>DT</b> At Crabtree Farm, through an engaging DT curriculum, we aim to inspire our children to become the next engineers, designers, chefs, and architects.</p>	<p><b>FFL</b> Our children will have the opportunity to explore and learn outside. They will have a respect for the natural environment by contributing to the development of our school grounds. Our children will understand where their food comes from and how it is grown. They will have the skills and knowledge to take responsibility for their own actions and have a sense of duty and care for the world in which they live.</p>	<p><b>Geography</b> At Crabtree Farm, our aim is to provide an exciting geography curriculum that gives children the capability to become inquisitive, knowledgeable mini-geographers. By the end of Year 6 our children will be conscious, empathetic individuals who have a clear, meaningful understanding of the human and physical features and processes of our world.</p>
<p><b>Handwriting</b> Our children will leave Crabtree Farm Primary School in Year 6 with the ability to write using their own style of fast, fluent, legible and sustainable handwriting, as well as other styles of writing for specific purposes.</p>	<p><b>History</b> In our school, our history curriculum will inspire children to learn about people, places and events in the past and how they impact on their world today. Through critically exploring a range of sources, they will have a coherent understanding of the history of the world and that of the British Isles.</p>	<p><b>MFL</b> Our children will understand and speak simple, conversational Spanish, allowing them to become part of a multi-cultural society. They will welcome and celebrate diversity and know how important languages can be in their future.</p>	<p><b>Music</b> At Crabtree Farm, we aim to give our children the musical skills and knowledge to express themselves and live music experiences to inspire them.</p>	<p><b>PE</b> At Crabtree Farm, we provide an exciting and varied PE curriculum designed to give our children the knowledge, behaviours and skills to lead an active, healthy lifestyle.</p>
<p><b>Performing Arts</b> Children at Crabtree will feel full of confidence and self-belief and be able to express themselves in a range of different ways: dancing, singing, drawing, acting, painting, performing.</p>	<p><b>PSHE</b> In our school, PSHE enables our children to become healthy, independent, responsible and respectful members of society.</p>	<p><b>RE</b> In our school, we want our children to understand the importance and value of religion and belief, especially those in our school and community.</p>	<p><b>School Council</b> At Crabtree Farm Primary School, we allow opportunities for children to form their own opinion and voice these on matters which affect them. The children have an opportunity to represent their peers, class and the school and take on a leading role, allowing them to develop their confidence and leadership skills. It provides them with new opportunities and experiences which will give them the life skills they need to develop and flourish in the modern world.</p>
