

OVERVIEW

Number of children on roll: 377
 Number of children with SEND support: 67
 Percentage of children with SEND support: 17.7%
 Number of children with an EHCP: 4
 Percentage of children with an EHCP: 1.06%

ATTENDANCE

Whole school attendance: 90.6%
 National whole school attendance: 94.3%
 SEN attendance: 90.7%
 National SEN attendance: 91.9%

INTERVENTION INFORMATION

Overview of current interventions being used in school by year group.

EYFS: SALT, NELI, Talk Boost, phonics, handwriting, MHST support, priority readers, counselling

Year 1: Phonics, handwriting, MHST support, PKSS target support, priority readers, counselling

Year 2: SALT, Physio, fine motor, MHST support, PKSS target support, priority readers, gardening/social skills, counselling

Year 3: SALT, sensory circuits, PKSS target support, art therapy, MHST support, priority readers, counselling

Year 4: SALT, sensory circuits, PKSS target support, art therapy, MHST support, nurture support, music interaction, art therapy, priority readers, counselling

Year 5: SALT, sensory circuits, PKSS target support, art therapy, MHST support, nurture support, priority readers, counselling

Year 6: SALT, nurture support, brain builders, purple box, sensory circuits, forest school, art therapy, priority readers, counselling, maths

SEND SUMMARY

Strengths:

- For children who are identified as SEN support, we adopt a four-part cycle called the graduated approach which uses the process of assess, plan, do and review. Continued assessment ensures that SEND support always matches children's needs and monitors that the support is effective.
- Children with SEND are identified as early as possible. In order to do this there is a clear system of record keeping and communication. All SEND referrals are completed using the Routes to Inclusion (R2i) assessment named the Primary Initial Concerns Checklist. Following the assess, plan, do review cycle, children are given targets linked to their primary area of need and a linked intervention which is recorded on Arbor. SEN Pupil Profiles are created for each child, detailing key information in regards to their area of need, as well as things they like/dislike and things that are strengths/ weaknesses.
- Bsquared is our assessment tool for tracking small steps of progress for children who are working 3 years behind ARE or who have HLN funding and additional adult support. Small, broken down targets are provided, which can be used on the SEN Pupil Profile.
- We continue to work with outside agencies (Behaviour Support Team, Autism Team, Learning Support Team, Visual Impaired Team, SALT and the Educational Psychologist) to enhance and develop our provision for children with SEND.

Areas for Development:

- To ensure that everyone in school can confidently talk about the SEN provision for individuals and as curriculum leaders by further embedding the use of SEND in the curriculum documents and SEND Pupil Profiles.
- Develop monitoring of those children who are working below the overall standard of national curriculum assessments (PKS).

SEND ATTAINMENT DATA FOR STATUTORY ASSESSMENT POINTS

End of Early Years Foundation Stage

	Good Level of Development				
	2019	2020	2021	2022	2023
School all	50%	No data due to no statutory assessments because of Covid19	47%	56.1%	55.6%
