

Crabtree Farm Annual Easter Egg Competition

Dear parent/carer

As usual, this year Crabtree Farm Primary School will be running their annual **Easter Egg Competition**. If you would like to enter please bring your *decorated hard boiled eggs* into school on **Monday 27th March 2023**. Your child will also be given the option to decorate a paper Easter Egg as an alternative, which will need to be handed in at the same time. The paper eggs will be judged alongside the decorated eggs and will not be given separate prizes.

Each class will have a 1st and 2nd prize, along with two overall winners from each phase in school (EYFS, KS1, Lower KS2 and Upper KS2).

The judging will be carried out on Tuesday and the winners will be announced on Wednesday 29th March during assembly.

The competition is open to **all** children in the school. Please support your child in having a go!

If you have any questions, please ask your child's teacher.

Thanks
Mrs Carlton
