## Nottingham Catering are recruiting

At Nottingham Catering we are actively recruiting to fill our catering vacancies. We are an award-winning service and are looking for people who share our passion for food to work in school kitchens across Nottingham and Nottinghamshire.

We are offering an ideal work/life balance for families as our contracts are often term time only and in school hours. If you enjoy working with food, are friendly and are looking for jobs with good pay and opportunities to develop, please get in touch. Our catering teams are professionally trained and have opportunities to develop their careers. We are offering permanent contracts, pay progression with pay award pending and generous pension schemes.
